Aircraft Management

Comprehensive, Personalized, Turnkey Solution

Journey Aviation is a worldwide jet charter operator and aircraft management company. We specialize in 24/7, on demand, charter flights with a stringent focus on achieving excellence in personalized service and quality product. As one of the largest U.S. based Gulfstream Charter Operators, our current fleet comprises of primarily long-range, heavy jets including Gulfstream 550s, Gulfstream Vs, Gulfstream GIVSPs, Gulfstream IVs, Falcon 2000, Challenger 300, Embraer Praetor 600 and Hawker models. Our dedicated experienced team of professionals is committed to providing you with on-demand, personalized, trip support and aircraft owner support. It is our promise to you that your private travel experience will be seamless, unique and unforgettable.

As a private jet owner, you learned long ago that you must focus on what you do best in order to achieve financial success. At Journey, we understand that your aircraft may be a business tool, or it may be your reward for a lifetime of hard work. Regardless, there will be a time where it is not in the air. That's where Journey's charter operating certificate becomes quite valuable. As one of our managed aircraft we will help you generate revenue and offset expenses when your aircraft is not in use.

Journey offers a comprehensive, turnkey aircraft management program that combines aviation expertise, experience, safety and reliability to provide a solution customized to your personal aviation needs. You'll realize all the advantages of having your own in-house flight department without the responsibility or overhead. Let us tailor fit our aircraft management package to fit your specific needs so that you can start to enjoy all the benefits of joining our fleet.
